R. O. C. No. 6536/41/C. P. O. CIRCULAR.

It has come to the notice of Government that the certificates required to be furnished in respect of the annual indents for printed forms, for the several Offices in the State, are written on separate sheets of paper instead of being incorporated in the indent form itself. This practice is wasteful and should be avoided. The certificates should be given in the indent form itself, either along with the other certificates printed thereon, or just above them or in the "Remarks" column. In this connection, attention is also invited to the fact that there is no need for a forwarding letter to accompany the annual indents or receipts for printed forms and stationery articles. Any remark intended for the information of the Central Printing Office or the Stationery Department may be given in the printed form itself in the appropriate places or in the "Remarks" column. Heads of Departments and Offices are directed to strictly follow the above instructions.

REPORT OF THE SELECT COMMITTEE ON THE PREVENTION OF CRUELTY TO ANIMALS ACT (AMENDMENT) BILL.

To

The President,
Sri Mulam Assembly.

Sir,

We, the undersigned members of the Select Committee appointed to consider the Prevention of Cruelty to Animals Act (Amendment) Bill have considered the Bill and beg to submit this our

REPORT.

The Bill was published in the Government Gazette dated the 8th April 1941.

The Committee are in general agreement with the provisions of the Bill, but in Clause 3 they are of the opinion that the enhanced punishment in the case of a second or subsequent offence committed within three years of the date of the previous offence is unnecessary. Hence the following:—

In Clause 3, the words (1) "in the case of a first offence", and (2) "and in the case of a second or subsequent offence committed within three years of the previous offence, with fine which may extend to one hundred rupees, or with imprisonment for a term which may extend to three months", shall be omitted.

The errors in printing noticed by the Committee have been corrected in the copy of the Bill attached herewith.

Since the Committee have not made substantial alterations in the Bill, they are of the view that the Bill as revised need not be republished.
